## **Financial Policy**

Thank you for choosing us as your health care provider. We are committed to the success of your treatment. If at any time you have questions regarding any treatment, fee, or service, please discuss them with us promptly and frankly.

### **INSURANCE**

As a courtesy to you, we will bill your insurance carrier for you. All co-payments, deductibles, and payments for supplements, supports, and other “non-covered” services are due at time of service. Payments may be made by cash, check, Visa, MasterCard, or Discover. Returned checks will be charged a \$25 fee (in accordance with 810 ILCS 5/3-806). If you are unable to pay in full, it is your responsibility to contact our billing department to set up an agreeable payment plan. Your insurance policy is a contract between you and your insurance company. We are not a party to that contract.

When possible, we will call to verify benefits on your insurance. However, the benefits quoted to us by your insurance company are **not a guarantee of payment.**

### **INJURIES/ACCIDENTS INVOLVING LITIGATION**

We will make every effort to recover our fees from all available sources, including your health insurance and any med-pay benefits that are available on your auto insurance policy. We will then wait to collect any unpaid balances until after a settlement is reached. **It must be understood, however, that the payment of the balance is ultimately your responsibility.**

### **WORKER'S COMPENSATION**

Our office will file worker's compensation claims. It is your responsibility to contact your employer to establish a worker's compensation claim. If the claim is denied, we will bill your personal health insurance carrier. If the claim is unsettled or unpaid within 90 days, you will receive a statement from our office.

### **SPECIALTY LABS**

Certain lab tests that we may order for you are not usually covered by insurance; therefore, we do not bill these tests to insurance, and ask that you pay for them either directly to the lab, or through our office. We will be happy to provide you with a receipt for any such tests that you may submit to your insurance company on your own.

### **PATIENTS WITHOUT INSURANCE**

We request that 100% of the first visit be paid at the time of the visit. On other visits, payment may be made at the end of the week if you sign a credit guarantee form. We are happy to accept your check, Master Card, Visa, or Discover.

### **MINOR PATIENTS**

An adult must accompany the minor at the time of the first visit. The adult accompanying the minor is responsible for payment of the account.

### **MEDICARE PARTICIPANTS**

We accept assignment from Medicare. The check is usually sent directly to our office in payment of the services that Medicare will cover, which for Chiropractors is ONLY manual manipulation of the spine. Medicare pays 80% of the allowable fee once the deductible has been met. You are required to pay the deductible and the remaining 20%, as well as any non-covered services (exams, labs, supplies, etc.). Our office completes and files the forms for Medicare at no charge.

## **SECONDARY INSURANCE**

Please inform us of any secondary insurance you may have. We will assist you if you need help in filing.

## **MEDICAL RECORDS**

You have the right to a copy of your medical records. Electronic copies are free of charge, per the 21<sup>st</sup> Century Cures Act. The fee for a paper copy is a \$28.44 handling charge, plus \$1.07/page for the first 25 pages, plus \$0.71/page for pages 26-50, plus \$0.36/page thereafter (735 ILCS 5/8-2006).

## **MISSED APPOINTMENTS**

**We require 24 hours notice for cancellation of all appointments. There will be a \$25 charge to the patient for all appointments that are missed and not canceled.**

## **Notice of Privacy Practices: Acknowledgement of Receipt**

We keep a record of the health care services we provide you. You may ask to see and copy that record. You may also ask to correct that record. We will not disclose your record to others unless you direct us to do so or unless the law authorizes or compels us to do so. You may see your record or get more information about it by contacting the privacy officer. Our ***Notice of Privacy Practices*** describes in more detail how your health information may be used and disclosed, and how you can access your information.
